

Bookshelf Online – Following Someone’s Highlights

In order to see someone else’s highlights and/or notes, you must follow them. In order to view that person’s highlights and notes, the following things must occur:

1. You must have the same book as the person you wish to follow.
2. The person you wish to follow must have enabled their highlighter to Public.
3. You must know the email address that the person created their Bookshelf account with.

You can follow someone’s highlights by clicking on the  icon to open your Notebook tab.

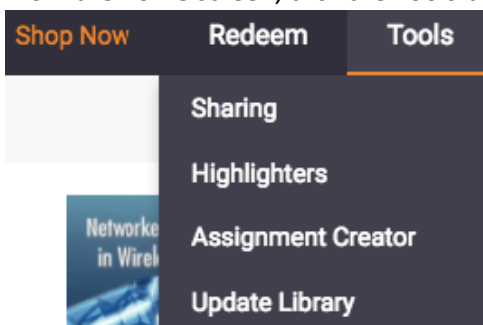

From the Notebook tab, click the  icon and select Manage Sharing

Manage Highlighters

Manage Sharing

You can also click the  icon to navigate to the home screen.

From the home screen, click the Tools button and then click Sharing

Tap/click Enter email and type in the email address of the person you wish to follow. The email address of the person you wish to follow must be the email address they used to create their Bookshelf account with.
